## **JANUARY NEWSLETTER**

**Welcome to the New Year! We hope this newsletter finds you in good health. If you are south or headed south, you will be getting your game in shape with a head start with all of the northbound snow men.**

**As 2022 rolls on, we'd like to take a look ahead to what your Board of Directors has planned for you as members. We are excited about the number of offerings we have for you this coming golf season.**

**First, we have our inaugural Spring One-Day Stroke Play Tournament to be held at Blue Heron Hills Golf Club in Macedon, NY on May 26<sup>th</sup> at 10am for all FLSGA members. (PLEASE NOTE: if you joined our organization in 2021, you are eligible to participate in this spring tourney. If you know someone from your club who is interested in joining FLSGA in 2022 and would like to play in our spring tournament, they may join using our website looking under the membership tab. They can also contact Bill Hopkins at either 607-738-5307 or at [flsga2020@gmail.com](mailto:flsga2020@gmail.com).) The OFFICIAL FLSGA membership drive for 2022 begins on June 1, 2022, which is after our spring tournament.**

**The second event is our Fall Tournament to be held at Canandaigua Country Club on September 7<sup>th</sup> and 8<sup>th</sup>. This is a two-day event with an individual and team champion to be crowned after the final round. Players with a higher handicap will tee off at 8am while players with a lower handicap will tee off at 1pm. That handicap cut-off will be determined once the full field has entered. In addition to the golf, Canandaigua CC will host two meals for us, one on each day. The exact individual cost will be determined this spring but we are looking at around \$130 per player. We can assure you Canandaigua CC will put on a good show for us.**

**We are considering other offerings as well as the season moves along. We will stay in touch with each of you to let you know details of all of our events. If you have any questions, again, you can contact Bill Hopkins at the above connections or contact your local club rep.**

**Enjoy your winter. Stay safe! Golf is not too far away!!**
