

## **FLSGA DECEMBER NEWSLETTER**

We would like to take this opportunity to wish you a Merry Christmas and a great 2024. As we say good-bye to 2023, we look ahead to the New Year with optimism that this will be the year providing us all with great memories and smiles.

We have some good news for all our members. Elmira Country Club has joined FLSGA and they have agreed to host our 2024 Summer Event. Elmira Country Club has been around since 1897 and has hosted several prestigious events throughout its history. It started out as a 9 hole course and has added 9 more holes to make it a beautiful setting and a great test of golf.

As I spoke with their head pro, Ryan Lantz, he seemed anxious and enthused to host one of our tournaments and was particularly attracted to our Summer Event. Recall, our Summer Event is a two-man tournament over 27 holes with three different formats for each 9 hole segment. He really liked that idea and seemed to feel many of Elmira's senior members would be drawn to it. The one day tournament will be held on Monday July 15<sup>th</sup>.

While we are talking about our Summer Event, I want to thank Dave Clark from Bath Country Club for stepping aside in 2024 to allow ECC to host the Summer Event. Bath was scheduled to host but Dave agreed to wait allowing ECC to step in and host. We are very appreciative to Dave and Bath Country Club.

Two other events will be held in 2024. Our Spring Event will be at Dutch Hollow Golf Club in Auburn, NY on May 20<sup>th</sup> while our Fall Event will be held at Seneca Falls Country Club on September 4 and 5. Mark these dates down on your calendar. We'd love to see you participate in as many of our tournaments as your schedule allows.

**MERRY CHRISTMAS and HAVE A HAPPY NEW YEAR!**
